"I always buy your bus tickets for my uncles that work in Rockville, MD. My family is from NYC but some of my uncles work in the Rockville area. They like the on time schedule. The only improvement my uncles wish for the bus service is to have a later bus than the 7am departure."

FAQ

What should I do if I purchased a ticket online but have not received the E-tickets?

Once the booking transaction is completed, you will receive a confirmation email (E-ticket) from iLIKEBUS.com. If you can't find the E-ticket in your in-box, please check your spam or junk folder because our email might be blocked by the filter. If you checked your spam or junk folder and still can't find your E-ticket, please visit www.iLIKEBUS.com and log into your account, find the ticket you want to resend and click the "Resend" button. Can I use a gift card or pre-paid credit card to purchase my ticket online?

Yes, you can use a gift card or pre-paid credit card to purchase your ticket online, however, you have to register the card under your name first in order to purchase your ticket online. For the registration process, please check the information on the back of your card.

Are the seats assigned?

No, there are no assigned seats. All the seats are served on a first come, first serve basis. Purchasing the tickets online will guarantee your seat with the carrier. We do not recommend purchasing tickets with cash at the bus stop because you may not get a ticket if the tickets are all sold out.
